

Utility carry boxes for presentations.

- Pine boxes
- Leather boxes
- Aluminum boxes
- Outer case
- Additional iron boxes
- Color swatches

Option 1 – Pine boxes with metal handle

Wood Characteristics

The material full of elasticity is delicate, soft and smooth.

The section is smooth thanks to the good painting and gluing performance.

Handle rope

It does not destroy the integrated structure of the box. So the wine box is firm, durable and more convenient.

Option 1a – Pine boxes with leather handle & slight change of shape

Rugged cover with an open window to show the branding on the box inside.

- Toughened glass options
- PVC / acrylic top

Option 2 – Pure leather boxes with metal handle

Leather/leatherette
boxes

Leather/leatherette boxes
